“ Mr. Jean was such a blessing to me as my neighbor and is so missed already. He commented several times after we put up the privacy fence that We needed to cut a window in the fence so he could keep a check on us! Lol The fence was not to block his view but ours from others . He joking asked numerous times if I needed a used car he knew where one was. I'd always tell him when we were going to be gone and he'd keep an eye out. We loved Mr Jean and will surely miss him. Our prayers for his family. Virginia and Ronnie Hughes
